A MESSAGE FROM THE ATHLETIC DIRECTOR

Thank you for your interest in Pope John Paul II High School and our Athletic Sponsorship Program. Your continued support enables us to provide a high-quality program, which benefits so many dedicated student athletes.

JPII sporting events are an excellent forum to deliver your message and promote your business. Thousands of students, parents, family members and friends attend games and other events at our facilities every year. Exposure to this core demographic permits you to reach consumers who want to patronize establishments that support JPII's athletic programs.

We are proud of our student athletes who continue to grow into model citizens in our community. These students and their families are often your most frequent customers. Every sponsorship or advertising dollar that you, an important member of our community, provide directly supports JPII Athletics.

Please take a moment to review this Media Kit. It provides an overview of the JPII sports programs and outlines the many opportunities for your organization to team with JPII Athletics.

Thank you for your consideration and all that you do in our community.

GO KNIGHTS!

John Dempsey
Athletic Director
